

Take My Heart
Birdy

Intro: **Bm G Bm G**

Verse

Bm G
Fallen so far
Bm Em
Said you'd watch over my heart
Bm G
Your love was so real
Bm Em
Too late to forget how you made me feel
Bm G
Tell me what I was supposed to believe
Bm Em
Held me so close I could hardly breathe
Bm G
And now I can't find how to let you go
Bm Em
You were mine but you've grown so cold

G A
Say it's all in my head, I remember when you said
Bm D
I'll never let you go
G A
Held me in the dark, sheltered as you took my heart
Bm D
I could never let you go, ooh
G A
Say it's all in my head, remember when you said
Bm D
I'll never let you go
G A Bm D
Oh, hold me in the dark, sheltered as you take my heart, take my heart

Verse

Bm G
Kiss me, pretend
Bm Em
Tell me all your love lies again

Bm G
Cast your shadows
Like how you said you'd catch me but let me go
You said I could've been free if I wanted to
I know you could see I was lost in you
Said you'd let me be if I wanted you to
And I know you'll leave but I don't want you to

G A
Say it's all in my head, I remember when you said
Bm D
I'll never let you go
G A
Held me in the dark, sheltered as you took my heart
Bm D
I could never let you go, ooh
G A
Say it's all in my head, remember when you said
Bm D
I'll never let you go
G A Bm D
Oh, hold me in the dark, sheltered as you take my heart, take my heart

Bridge

G A Bm
So take my heart for your love
I'll let you break it part, every piece of me
So take my heart, it's all that's left

G A Bm D

Take my heart
