

It s quite a company, it s quiet company
 C **F** **C** **F**
It s quite a company, it s quiet company

C **F**
And I won t follow you
 C **G**
Into the rabbit hole

Am **F**
I said I would, but then I saw your shivered bones
 C **G**
They didn t want me to

Am **F**
It s a terrible love and I m walking with spiders
 C **G**
It s a terrible love and I m walking in
 Am **F**
It s a terrible love and I m walking with spiders
 C **G**
It s a terrible love and I m walking in

Am **F**
It takes an ocean not to break
C **G**
It takes an ocean not to break
Am **F**
It takes an ocean not to break
C **G**
It takes an ocean not to break
