

**The District Sleeps Alone Tonight**  
**Birdy**

**C Dm Am**  
Smear'd black ink:

**C Dm Am**  
your face is ashen and

**C Dm Am**  
I'm barely listening to last demands

**C Dm Am**  
I'm staring at the asphalt wondering what's  
Buried underneath

**F C G**  
where i am

**F C G F**  
where i am

**C Dm Am C Dm**  
I'll wear my badge: a vinyl sticker with big block  
**Am**

Letters adherent to my chest

**C Dm Am C Dm**  
That tells your new friends i am a visitor here:

**Am**  
i am not permanent

**C Dm Am C Dm Am**  
And the only thing keeping me dry is

**F C G**  
where i am

**(F C G)**  
You seem so out of context in this gaudy  
Apartment complex  
A stranger with a door key explaining that i am  
Just visiting  
And i am finally seeing why i was the one worth  
Leaving

**F**  
why i was the one worth

**C**  
Leaving

**C Dm Am**  
D.c. sleeps alone tonight  
(2X)

The district sleeps alone tonight after the bars turn out their lights

**F**                    **C**                    **G**  
And send the autos swerving into the loneliest evening
