I will never hit the ground, hit the ground

Patience is wearing thin, paper thin
Promises broke again, what a sin

C

But it only feeds my energy

Am

So don t expect no sympathy

C

Smoke, fire, it s all going up

D

Don t you know I ain t afraid to shed a little blood

C

D

Smoke, fire, flares are going up, flares are going up

Em

Oh, won t wave my white flag, no

Am

This time I won t let go

C

I d rather die

D

Than give up the fight, give up the fight

Give up the fight, give up the fight

Em

Won t wave my white flag, no
