Dark Am I Bison Dark Am I by The Last Bison Tabbed by Andy Frey Intro: Am Em x3 G Am Em Staring through every window \mathbf{Em} Am Staring til the glass does break Am Em Hiding on the mountain side Am \mathbf{Em} Descend the cliffs and let me see your face And when the doors to the streets are closed And the sound of the grinding fades When men arise up like birds And all their songs grow faint Am Em Dark am I Am Em Dark am I Am Em Dark am I G Yet lovely (x2) Am Em x3 G *Repeat verse and chorus* Dark am I Dark am I Dark am I Yet lovely (x4) Am Em x3 G

Hope you like it! This is only my second tab so be sure to put any corrections down in the doobly-doo (comment section)
