Chords used:

```
      E      F#      A      D      B  
e |----0----2----0----2----2----|  
B |----0----2----2----3----4----|  
G |----1----3----2----2----4----|  
D |----2----4----2----0----4----|  
A |----2----4----0-----2----|  
E |----0----2-----|
```

(i have a feeling the B/D might be barre/power chords
although it doesn't really make a difference)

Tuning: standard

Intro:
E E E E

```
      E              F#              A  
          They said they would let me into  
      E              F#              A  
their little groups, they were lying  
      E              F#              A  
          Fooled me, they would put me into  
      E              F#              A  
the highest place, i cried
```

```
      D              A              E  
Inside my heart s breaking, my mind s breaking,  
      B  
I m not all there
```

A **E**
My liver s fucked by alcohol

E **F#** **A**
Next day I went to school, now I m
E **F#** **A**
really cool like you
E **F#** **A**
Be bad and earn your place in the
E **F#** **A**
smoking ring, you re high now

D **A** **E**
They took my glasses, broke them, burnt my clothes with
B
gasoline
A **E**
My liver s fucked by alcohol

D **A** **E**
Inside my heart s breaking, my mind s breaking,
B
I m not all there
A **E**
My liver s fucked by alcohol

Enjoy :-)
