Intro : **Bm - G - D - A**

**Bm**                    **G**                    **A**  
I speak my mind everyday  
**Bm**                    **G**                    **A**  
i talk till i get my own way  
**Bm**                    **G**                    **A**  
but all of the words that i use  
**Bm**                    **G**                    **D**                    **A**  
can t help me get through the youth(?)

Pre-Chorus :

**Bm**                    **G**                    **D**                    **A**  
You want me to tell you what s on my mind  
**Bm**                    **G**                    **D**                    **A**    **C#**  
it s no use i ve tried to time after time

Chorus :

**Bm**  
I wanna show my feelings for you  
**D**  
i can t find the words to tell you  
**Bm**  
after all the time i ve known you  
**D**  
i can t find the words to tell you

**Bm**                    **G**                    **A**  
i lose my nerve when you re near  
**Bm**                    **G**                    **A**  
why can t i make myself clear

**Bm**                    **G**        **A**  
i never felt this before  
**Bm**                    **G**            **D**        **A**  
i can t find the words anymore

Pre-Chorus

Chorus

**Bm**                    **G**            **A**  
You find the truth in my eyes  
**Bm**                    **G**            **A**  
then maybe you realize  
**Bm**                    **G**                                    **A**  
there s nothing more words could say  
**Bm**                    **G**                                    **D**        **A**  
you stay only guest(?) in the way

Pre-Chorus

Chorus
