Old Fashioned Love - BJ Thomas

Written by L. Anderson

Verse:

D **A**
We live in the modern age
F#m **Bm**
Where love is fast like a turning page
Em **D**
In a magazine, we ve hardly seen
D **A**
The friends we used to know
F#m **Bm**
They disappear, they come and go
Em
Like the times we ve had
D
It s kind of sad...

Chorus:

Em **Em**
Whatever happened to old fashioned love
A **D**
The kind that would see you through
G **C** **Em** **A**
The kind of love that my Momma and Daddy knew
Bm **Em**
Yeah, whatever happened to old fashioned love
A **D**
The kind that would last through the years
G
Through the trials
C
Through the smiles
Em **A**
Through the tears

Verse 2:

D **A**
Today is all we ve planned
F#m **Bm**
We say tomorrow we ll understand
Em
If it all should end
D
We d be alone again
