Brother

Intro  
G G G G X 2

G  
You came to me with one idea,  
But left me with another.

Em  
And though that plan will cost our lives  
I m proud to call you brother

G  
I shadowed you through city streets  
My teacher till the last

Em  
You said The beauty of the world

C  
Hath made you sad, This beauty now will pass

C  
You start out with good intentions  
To help restore our fallen nation (Call you brother)

Em C  
When thinking of the cost I never thought you d be the one

D D/F# G  
Through everything I m proud to call you brother

G  
My thoughts now turn to these past few weeks  
When we were side by side

Em  
With Joe and Tom and Jim and Sean  
We stood against the tide

G  
Teachers, poets, dreamers, men  
Heroes unto me

Em  
Through words and deeds and actions past

C  
I thank them all, they taught me to be free

C  
You start out with good intentions  
To help restore our fallen nation (Call you brother)

Em C  
When thinking of the cost I never thought you d be the one

D D/F# G

Through everything I m proud to call you brother

**G**

Now I sit in my darkened cell  
The morning close at hand

**Em**

I pray to God for mother dear  
That she will understand

**G**

They ll say to you that we were wrong  
And traitors of us make

**Em**

But generations still to come, will praise your sons

**C**

Who died for Irelands sake.
