(A7+ D7+ Dm)
Well, it s not that I m just losing ground
I just might have tried to get around
Well i feel so clever, when we are together
Now you stole my words, you stole my love

Like a shining moon up in the sky
Everybody s got a place to hide
Well, I m feeling better, now that you re with me
Oh, it will be fine together,
Fall into my love

Now you ve got to tell me you know it s love
And by what they say there must be more
When I see your face all i see
Is just the scar that love has left
We ll be feeling so much better,
Fall into my love
