

I Love You But Dont Touch Me Cos Youre Sick
Black Daniel

The song is very simple it is just **G, F, C** over and over again as followed:

G	F	C
I Love You But Don t Touch Me Cos You re Sick		
G	F	C
I Love You But Don t Touch Me Cos You re Sick		

G:	F:	C:
--10--	--8---	--8---
--12--	--10--	--8---
--12--	--10--	--9---
--12--	--10--	--10--
--10--	--8---	--10--
-----	-----	--8---

Unfortunately, I can t work out what the other lyrics are saying, but I ll work on it and add it onto here! But yeah, it s that simple!

Enjoy!!
