E C#m G#m A  
If he refuses I still go on  
E C#m G#m A  
Till the heaven and earth are gone  
B C#m  
Time may rage but rage in vain  
A B  
My designs unchanged remain

E C#m G#m A  
Night is my shepherd, moonlight is my guide  
E C#m G#m A  
You were close by, now the distance is so wide  
B C#m  
You found me blind, you taught me how to see  
A B  
Now it's so hard to have you away from me

E C#m A F#m  
Surely you were meant to be mine  
E C#m A F#m  
Surely you were meant to be mine  
E C#m B A  
You command my hand to write  
E C#m B A  
In the dark hours of deep midnight

B C#m  
Your love is a love, a love like no other  
A B  
Wings of joy forever flutter

E C#m A F#m
