Hey, baby my nose is getting big  
I noticed it be growing when I been telling  
them fibs  
Now you say your trust s getting weaker  
Probably coz my lies just started getting deeper  
And the reason for my confession is that I learn  
my lesson  
And I really think you have to know the truth  
Because I lied and I cheated and I lied a little more  
But after I did it I don t know what I did it for  
I admit that I have been a little immature  
Fucking with your heart like I was the predator  
In my book of lies I was the editor and the author  
I forged my signature  
And now I apologise for what I did to you  
Cos what you did to me I did to you

[Chorus]

**F#m7** **D A**  
Nononono baby, nononono don t lie  
**F#m7** **D A**  
Nononono, yeah you kno know know know you gotta try  
**Bm**  
What you gonna do when it all comes out  
**D**  
When I see you & what you re all about  
**F#m7** **D A**  
Nonono baby, nononono don t lie  
**F#m7**  
Because you know you know you know you know  
**E D A**  
you know you gotta try

She said I m leaving  
Cos she can t take the pain  
It s hard to continue this love it ain t the same  
Can t forget the things that I've done inside her  
brain  
Too many lies committed too many games  
She feeling like a fool getting on the last train

Trying to maintain but the feeling won't change  
I'm sorry for the things that I've done and what I  
became  
Caught up in living my life in the fast lane  
Blinded by lights, cameras, you know the fame  
I don't know the reason why I did these things

And you lie and you lie and you lie and you lie  
And now our emotions are drained  
When you lie and you lie and a little lie lie  
And now your emotions are drained

[Chorus x2]

Yo, I'm lying to my girl even though I love her  
And she all in my world  
I give her all my attention and diamonds & pearls  
She's the one who makes me feel on top of the world  
Still I lie to my girl, I do it  
And I lie and I lie and I lie till there's no turning back  
I don't know why, [and I lie and I lie till I don't know  
who I am]  
And then I tell myself

**F#m7** **D A**  
Nononono baby, nononono don't lie  
**F#m7** **D A**  
Nononono, yeah you know know know you gotta try  
**Bm**  
What you gonna do when it all comes out  
**D**  
When I see you & what you're all about  
**F#m7** **D A**  
Nononono baby, nononono don't lie  
**F#m7**  
Nononono baby, nononono  
**D A**  
Stop, st-stop st-stop stop stop lying.
