When I first met you
Em
you was living in your dayroom
G

you was wrenching chachos

A

you was living on voodoo

It goes like this throughout the rest of the song with little variations.

yes you was tryna hex me
all tellin me im sexy
yes always tryna text me
or dance next to me

Bm	Em	G	A
singing,	listen to your body tonight	its gonna treat you right	
Bm	Em	G	A
listen to your body tonight	its gonna treat you right		
Bm	Em	G	A
dont be scared to fall in love coz you dont like heights			
Bm	Em	G	A
listen to your body tonight	its gonna treat you right		

so laying in my bedroom
all talking bout some boom boom
but you really shouldnt assume
coz my mans coming home soon

you tryna have a rival
best stickin to your survival
aint tryna be libel

A

I swear it on the bible

A

I swear it on the bible

listen to your body tonight its gonna treat you right
listen to your body tonight its gonna treat you right
dont be scared to fall in love coz you don t like heights
listen to yor body tonight its gonna treat you right

Bm

alright hello?

Em

hello this is your body

G

(well do you want my body)

A

i want to feel somebody on me

alright hello?
hello this is your body
(well do you want my body)
i want to feel somebody on me

alright hello?
hello this is your body
(well do you want my body)
i want to feel somebody on me

alright hello?
hello this your body
(well do you want my body)
i want to feel somebody on me
