Black Lab
Bound
Two Strangers

It s basically impossible to find lyrics or tab for Black Lab songs, seeing as they re an independent band and so little known and all, so I figured I d give it a shot. Pretty sure this is all 100% right and it s a really easy song. Any questions or comments are welcome.

There s a fairer sun, that shines on the living

Days crawl, night falls, all the same

I know you know we are bound together
