

**Tell Me What To Say**  
**Black Lab**

{INTRO}

**Am**                      **G**  
Tell me what to say  
                         **D/F#**  
And I will say it to you...

{INTRO2}

**Am G D/F# F** 2x

{VERSE}

**Am**                      **G**  
I take    one for the heartbreak  
**D/F#**                      **F**  
                 One for the headache  
**Am**                      **G**                      **D/F#**                      **F** (optional)  
                 Two for the constant tears  
**Am**                      **G**  
I take    one for the blindness  
**D/F#**                      **F**  
                 One for the foolishness  
**Am**                      **G**                      **D**  
                 Trying to    keep you here

{PRECHORUS}

**C**  
I would stop waiting  
**G**  
                 Stop crying  
**Am**                      **F**  
                 Stop breathing in, too  
**C**                      **G**                      **Am**  
While you stay away so long

**C**  
I would stop calling  
**G**  
                 Stop writing  
**Am**  
                 Stop faking  
**F**  
                 Stop denying  
**C**                      **G**                      **D**  
you re as good as gone

I would do what you do  
I would burn us to the ground

{{VERSE}} Guitar Solo

Hey-**E-E**-ey, well, I dunno

{{CHORUS}}

So you just tell me what to say  
And I ll say it to you  
I would do it for you  
I would burn this house down

Tell me what to say  
And I will say it to you  
I would do it for you  
I would burn us to the ground

{OUTRO}

**Am G D/F# F 4x**
