CRAZY OR HIGH

1/2 step down

**A**                    **G**            **D**  
I thought I knew who you were  
**A**                    **G**                    **D**  
I thought I did, now I ain't so sure  
**A**                    **G**            **D**  
I can't believe what I see  
**A**                    **G**                    **D**  
I take a look and I know what you need

**A**            **D**            **C**  
Out of your mind  
**A**                    **D**                    **C**  
Oh, you must be crazy or high  
**A**                    **D**                    **C**  
Out of your mind  
**A**                    **D**                    **C**  
Oh, you must be crazy or high

**A**            **G**            **D**

**A**                    **G**                    **D**  
Days have changed and rolled by  
**A**                    **G**                    **D**  
They are forever till the day that I die  
**A**                    **G**                    **D**  
You tried to kill me again  
**A**                    **G**                    **D**  
I feel no pain although the scars never mend  
**A**                    **D**                    **C**  
Out of your mind  
**A**                    **D**                    **C**  
Oh, you must be crazy or high  
**A**                    **D**                    **C**  
Out of your mind  
**A**                    **D**                    **C**  
Oh, you must be crazy or high

**E**    **F**    **E**        **F**        **E**        **F**        **E**

**A**                    **D**                    **C**  
Out of your mind  
**A**                    **D**                    **C**  
Oh, you must be crazy or high

A                    D            C  
Out of your mind
