

January

Black Label Society

This is my first time uploading chords. I copied it from another site and fixed them up a bit.

The plucking pattern is roughly like shown below. The plucked strings might vary from chord to chord but mainly that s the pattern.

```
-----X-----|
---X--X-----|
--X-X--X-----|
-X-----X-X-|
-----|
-----|
```

Chords:

Dsus2 **F#**
The cold that burns The tide that drift away
Bm A G Em7
No more talks about tomorrow
A Bm A G
The past is gone and all that was today
Em7 G D
I cant forget the cold That fell January day

Dsus2 **F#**
Seasons change for the rain he washed away
Bm A G Em7
All the smiles and the tears
A Bm A G
What s in between and all one s hopes and fears
Em7 G D
I feel that January s cold shall never disappear

F# Em7 G Dsus2
Empty sky the bitterness unfolds
F# G
Its hard to hold a memory
Dsus2
When there s nothing left to hold
F# Em7
Rain rain rain
G D
The desert kills what s left inside

F# **G** **Dsus2**
Its hard to live when all you wanna do is die

Dsus2 **F#**
The book is done No more pages left to turn

Bm **A** **G** **Em7**
No more letters left to write

A **Bm** **A** **G**
nothings left for whom it may concern

Em7 **G** **Dsus2**
January s cold shall forever live on

Em7 **G** **Dsus2**
January s cold shall forever live on
