

Just Killing Time
Black Label Society

Hello there! This is very, very simple one. This is perfectly correct, I m 100% sure.

_____Black Label Society - Just Killing Time_____

Intro: **Bm, A, Bm, A**

Bm **A**
I sit reflecting

Bm **A**
I feel the end has begun

Bm **A**
It seems my days

Bm **A**
now mirror the setting sun

Bm **A**
So many places

Bm **A**
that I have been

Bm **A** **Bm** **A**
This ride that was long seems so short in terms of now and then

CHORUS:

G **D/F#** **Em**
Ooooooooooooooh...

Em
For All that has been

G **D/F#** **Em**
Ooooooooooooooh...

Em
And All that is

G **D/F#** **Em**

Ooooooooooooooh...

Em

All that s to be

G

D/F#

Em

Oooh Lord, I m just killing time

Em

And time s killing me

(play all the verses and choruses the same way)

Dead man breathing, just taking up space
Calloused and weathered like the lines on one s face
Dead man breathing, my conscience is bare
The lining of my soul is torn yet I no longer care

For All that has been
And All that is
All that s to be
Lord, I m just killing time
And time s killing me

SOLO: **Bm, A, Bm, A**

For All that has been
And All that is
All that s to be
Lord, I m just killing time
And time s killing me

(outro = intro)
