

Stillborn  
Black Label Society

[Verse]

**F#m**

Blind me, erased what was

**F#m**

Stillborn I have become

**E**

**F#m**

The feelings I once felt are now dead and gone

**E**

I ve waited here for you for so very long

**F#m**

So empty, just a shell of a man

**F#m**

Stillborn, this I understand

**E**

**F#m**

The feelings I once felt are now dead and gone

**E**

I ve waited here for you for so very long

[Chorus]

**F#m D E**

**F#m D E**

I ve waited here for you for so very long

[Solo Backing]

**F#m E A E**

**B C B C B C**

**F#m**

[Pre Chorus]

**E**

**F#m**

The feelings I once felt are now dead and gone

**E**

I ve waited here for you for so very long

[Chorus]

**F#m D E**

**F#m D E**

I ve waited here for you for so very long
