Lyrics:

Those Machines Tall In Steal  
Fucking Dreams Those Aint Real  
Coffee Cup Spills Once Again  
Kill Time By Wasting Brain

Anti-Shit Pro-Death  
We Are Going To Die  
So Lets Fucking Live It  
What The Fuck Are You Going To Do  
Kill Myself After I Kill You

Those Fucking New-Wave Followers  
Lead Them Off A Fucking Cliff  
Suicide Is The Final Choice  
And Jesus Is My First Hate

Anti-Shit Pro-Death  
We Are Going To Die  
So Lets Fucking Live It  
What The Fuck Are You Going To Do  
Kill Myself After I Kill You
