

**Buried By The Blues**  
**Black Mountain**

Buried by The Blues by Black Mountain from the album Wilderness Heart  
By Blupid

Standard Tuning

Strumming:D U U D U [repeat]

Intro:

**D Am G D**

**D** **Am**  
Absolved forever, into the darkest shades  
**G** **D**  
Vanished from the light, to the still calling me  
**D** **Am**  
Enslaved forever, buried by the blues  
**G** **Am**  
Where your wounds like a soldier and let your ghosts run loose

**F** **D**  
Against the night, you will rise and set your body free  
**F** **D**  
Frontier of light, you deserve to let you body sleep  
**C** **G** **D**  
Away from the static and noise

**D** **Am**  
Exploding waves, you wish you could belong  
**G** **D**  
The piper at the gates, to steal you from the dawn  
**D** **Am**  
No suicide could ever change your fate  
**G** **D**  
Fold your hands in reprise, beneath the trembling rain

**F** **D**  
Against the night, you will rise and set your body free  
**F** **D**  
Frontier of light, you deserve to let you body sleep  
**C** **G** **D**  
Away from the static and noise  
**C** **G** **D**  
Away from the bombs and the war  
**C** **G** **D**  
Away from the static and noise

Outro:

**D Am G D**
