**Black Peppers Band**

Collide

by Black Peppers Band

This is our own acoustic version of Collide by Howie Day.

Capo on 4th fret

[Intro]

**G D Em7 C9 - 2x**

[Verse 1]

**G D**

The dawn is breaking

**Em7 C9**

A light shining through

**G D**

You re barely waking

**Em7 D (Pause)**

And I m tangled up in you

Yeah...

(Back to intro....1x)

**G D**

I m open, you re closed

**Em7 C9**

Where I follow, you ll go

**G D Em7**

I worry I won t see your face

**C9**

Light up again

[Refrain]

**G D**  
Even the best fall down sometimes

**Em7 C9**  
Even the wrong words seem to rhyme

**G D**  
Out of the doubt that fills my mind

**Em7**  
I somehow find

**C9 G D Em7 C9**

You and I collide

[Verse 2]

**G D**

I m quiet you know

**Em7 C9**

You make a frist impression

**G D Em7 C9**

I ve found I m scared to know I m always on your mind

[Refrain]

**G D**  
Even the best fall down sometimes

**Em7 C9**  
Even the stars refuse to shine

**G D**  
Out of the back you fall in time

**Em7**  
I somehow find

**C9**  
You and I collide

**Em7**  
Don t stop here  
**C9**  
I lost my place  
**D**  
Im close behind

[Refrain]

**G D**  
Even the best fall down sometimes

**Em7 C9**  
Even the wrong words seem to rhyme

**G D**  
Out of the doubt that fills my mind

**Em7**  
I somehow find

**C9 G D**  
You and I collide

**Em7**  
You finally find

**C9 G D**  
You and I collide

**Em7**  
You finally find that  
**C9 G**  
You and I.....

D            Em7        C9

You and I.....collide

[End]
