

## 20 Hours

### Black Rebel Motorcycle Club

INTRO: **Am Em** (4x)

Verso 1:

**Am**  
Left a flower in the spring  
**Em**  
You know that I m coming back  
**Am Em**  
All the moments you were mine  
**Am**  
I don t know what has become of you  
**Em**  
But I know what s left  
**Am D**  
All the love you held inside

Refrão:

**D G**  
Beyond the stars there s no one alive  
**G/F# D Am**  
I know there s a way  
**D Am**  
This 20 hours since my sleep  
**D Am**  
I know you will stay  
**D G**  
Until this moment, don t talk to me  
**G/F# D**  
A crisis away

**Am Em**

> Verso 2:

Left the hour you descend into another time  
All the words you held inside  
I don t know what has become of you  
But I know what s left  
All my hope you would divide

Refrão:

**D G**  
Beyond the stars there s no one alive  
**G/F# D Am**  
I know there s a way  
**D Am**  
This 20 hours since my sleep

I know you will stay  
Until this moment, don't talk to me  
A crisis away

Bridge:

Today, my soul is unscathed  
I can't touch the ground  
La la la

Today, my soul is unscathed  
I can't see the ground  
La la la

Am Am Em Em

Verso 3:

Left a flower in the spring  
You know your love won't last  
All the moments you were mine  
I don't know what will become of you  
But I know what's left  
All the time you have to find

Refrão:

Beyond the stars there's no one alive  
I know there's a way  
This 20 hours since my sleep  
I know you will stay  
Until this moment, don't talk to me  
A crisis away

Am Em
