

**A Fine Way To Lose**  
**Black Rebel Motorcycle Club**

note: you can pull off/on when playing the E s and B7 s, so E changes to E7 and B7 to

(listen to the song).

my guitar playing skills are very amateur so be nice, hopefully somebody else will tab

beautiful song properly.

A Fine Way to Lose - Black Rebel Motorcycle Club

Chord:

**F#**: 022100 ----> **F#7**: 022130

**G#**: 244322

**C#7**: 021202 ----> **C#11**:021200

**F#**

Hey Little darlin

**G#**

Don t you feel like callin

**C#7**

I can t wait for nothin

**F#**

And there ain t nothin been new

**F#**

We re gone

**G#**

We re gone from the others

**C#7**

And I can t see no other

**F#**

With you in my mind

(same chords)

The bottles been callin

The bottles been tempting

The bottles been tending

to killing this time

(same chords)

Seems a fine way to lose

Seems a fine excuse

When I can t choose you

**F#**

**B**

**F#**

Take, take it all by the morning

**G#**

I sleep in the moments

**C#7**

I keep it away

**F#**

The bottles been calling

**G#**

The bottles been tempting

**C#7**

The bottles been tending to

**F#**

Killing this time

**G#**

Seems a fine way to lose

**C#7**

When I can t choose you
