Intro: **E G#m** (4x)

E **G#m**
You try so hard to be cold
E **G#m**
You try so hard to not show
F#m **B**
I give you nothing to doubt, and you doubt me
F#m **B**
I give you all that I have, but you don't see
C#m
Now I know that my eyes must close here
E **G#m**
Every word seems to feel like you don't care
D
But I know that you're so confused and afraid
F#m
I just want to be one true thing that don't fade
A
I don't wanna give up tomorrow
E
I just can't understand why we're going on
