Long Way Down
Black Rebel Motorcycle Club

Even though I play this on piano, it should work on guitar also.

This is my first attempt on uploading chords - bear with me.

Chords: **F   C#m   Dm   Bm   C**   X?=**E**-**Bb**-**E** (left hand) [is it **E5**?]
                                          Bb-**E**-**G** (right hand)

(/ = 1 beat, | = end of tact)

Intro: **F** / / **C#m** | **Dm** / / / |

             F   /   /   **C#m** | **Dm**   /   /
Don t you try to explain all the words that you ve made for love
/ |**F**   /   /   **C#m** | **Dm**   /   /
But you can t even pray cause the words make you frail and hollow
/ | **F**   /   /   **C#m** | **Dm**   /   /
Don t you cry to yourself just to feel like someone who s hit bottom
/ |**F**   /   /   **C#m** | **Dm**   /   /
But you can t run away cause the hole that remains will follow

  C | **Bm** /   **Dm**
   Don t you care just enough
 / | **Bm** /   **Dm**
   Don t you feel your heart stop
 / | **Bm**   /   **Dm**
   But you can t know what you want
 / | **Bm**   /   X?   / |
   But what matters now is enough

     Dm   /   **Bm**   / |
It s a long, a long way down on your own
      F   /   **C**   **C#m** |
It s a long, a long way out
       Dm   /   **Bm**   / |
It s a long, a long way out down on your own
      F   /   **C**   **C#m** |
It s a long, a long way out

```
Bridge:    Dm   /   C#m   /   |  F   /   C#m   /   |    x2

F   /   /   C#m   |   Dm   /   /

/         | F                /                /           C#m      Dm     /     /
Don t you sleep in the day just to dream it away for good
/     | F                /                /                    C#m     | Dm          /   /
But I know you re afraid   cause the best that you gave was not enough

  C            | Bm   /         Dm
   Don t you care just enough
  /            | Bm   /             Dm
   Don t you feel your heart stop
  /         | Bm          /          Dm
   But you can t know what you want
  /         | Bm              /       X?    /  |
   But what matters now is enough

     Dm         /          Bm           /     |
It s a long, a long way down on your own
     F        /        C    C#m            |
It s a long, a long way out
     Dm        /      Bm                /     |
It s a long, a long way down on your own
     F        /         C    C#m                 |
It s a long, a long way out

End:    Dm   /   C#m   /   |  F   /   C#m   / |    4x

      F   /   /   C#m   |   Dm   /   /   /   |
```
