Capo 1st fret

Am E

Am

I spit my faith on the city pavement

E

To keep a smile

Am

I bought my legs from the US Government

D

To keep me in line

F

We are the ones that keep you high

Am

F

We are the ones that warm the sky

C

E

And you re burning bright

Am E

Am

I filled my head with another replacement

E

To keep me high

Am

I shot my soul when they wanted to take it

D

Your worst ain t mine

F

We are the ones that keep you down

Am

F

We are the ones that warm the ground

C

E

While our arms surround

Am E

Am

She s my river of sunshine, she s my girl (She s my girl)

E

Am

D

She can save the US, save the world (Save the world)

F

Am

Yeah she s alright, and I ll be fine

F

C

There s no US, save your mind

E

Save your mind, save your mind

Am E

Am

I ll give you nothing if you re just gonna waste it

E

But that s alright

Am

I ll give you love if you re wanting the taste that

D

That leaves you behind

F

Am

We are the ones that keep you high

F

C

We are the ones that burn your pride

E

And you re burning bright

Am E

Am

E

I ve been waiting for the sun to come, lead me through the gates of Rome

D

C

You re gonna know they were never, never yours to kill

Am

E

I ve been waiting for the sun to come, lead me through the gates of Rome

D

C

You re gonna know they were never, never yours to kill

Am

E

I ve been waiting for the sun to come, show all what s being done

D

C

You re gonna know they were never, never yours to kill
