**E** **Abm**  
You try so hard to be cold  
**E** **Abm**  
You try so hard to not show  
**F#m** **B**  
I give you nothing to doubt, and you doubt me  
**F#m** **B**  
I give you all that I have, but you don t see  
**C#m**  
Now I know that my eyes must close here  
**E** **Abm**  
Every word seems to feel like you don t care  
**D**  
But I know that you re so confused and afraid  
**F#m**  
I just want to be one true thing that don t fade  
**A**  
I don t wanna give up tomorrow  
**E**  
I just can t understand why we re going on

Guitar Part : **E** â€" **A** â€" **F#m** â€" **A** â€" **Am** -Mi

You try so hard to be heard  
You try so hard to not hurt  
I give you nothing to doubt, and you doubt me  
I give you all that I have, but you don t see

Now I know that my eyes must close here  
Every word seems to feel like you don t care  
But I know that you re so confused and afraid  
I just want to be one true thing that don t fade  
I don t wanna give up tomorrow  
I just can t understand why we re going on

Then the Guitar Part : **E** â€" **A** â€" **F#m** â€" **A** â€" **Am** -Mi ad libitum

I don t wanna be sad, I don t wanna be scared  
I won t wait for you in silence  
I see the road is long
