Album: Specter at the Feast

The is my first tab guys. Robert is playing loads of variations and this tab is based on how he played live after one of their shows. Not sure about the E* chord. This is just one of the variations. You can also use Powerchords during the Chorus (I don t like it with an acoustic guitar but it works fine) but if you want to use them here they are:

E*	Asus2	F#m	E	D
e --2--	--x--	--x--	--x--	--x--
B --0--	--x--	--x--	--x--	--x--
G --1--	--6--	--11-	--9--	--7--
D --2--	--7--	--11-	--9--	--7--
A --2--	--7--	--9--	--7--	--5--
E --0--	--5--	--x--	--x--	--x--
