[Verse 1]

E	G5	E
Everything	is	going down
nothing	seem	to feel same
no one	seem	to know my name
G5	A	E
no one	seem	to go my way

[Chorus]

E	G	A
But who	knows if i ll	see you again
But who	knows if i ll	see you again

One for the so named dreamers... (same as first)

E	G	A
Who	knows if I ll	see you again
Who	knows if I ll	see you again

(For the next part youâ€™ll have to change rhythm in order to make it sound correct. Hit the two first Eâ€™s hard. Otherwise just listen to the song.)

[Chorus 2]

E	G	A
Time	won t	save our souls

E **G** **A**
Time won t save my soul
E **G** **A**
Time won t save our souls
E **G** **A**
Time won t save my soul

(Repeat the chords as earlier)

[Verse 2]

I never thought I d see it coming
I never thought I d ever know
Nothing seems to take me over
Nothing seems to let me go
Who knows if I ll see you again
Who knows if I ll see you again
