

Too Real

Black Rebel Motorcycle Club

Intro: **Bm7/A** **Bm7/A***

Verso:

Bm7/A **Bm7/A***
Don t want to see what all these people see
Bm7/A **Bm7/A***
They all seem lost with what they ve found
Bm7/A **Bm7/A***
Don t want to hear what all these people hear
Bm7/A **Bm7/A***
It seems to tell them there s no sound
Bm7/A **Bm7/A***
Don t want to fight who all these people fight
Bm7/A **Bm7/A***
It s only truth that s been denied

Refrão:

D **D/C#**
Does it feel too real
D/C **G**
When everything you ve learnt to love seems to change?
D **D/C#**
Does it feel too real
D/C **G**
When everything you love to fear seems the same?

Verso: (mesmo esquema do primeiro)

Don t want to waste away my life-savings
Too many feelings left to save
No need to talk about the other side
We learn to live our happy lives
It s so good, you see- just another day
Learn to savour all the same

Refrão:

D **D/C#**
Does it feel too real
D/C **G**
When everything you ve learnt to love seems to change?
D **D/C#**
Does it feel too real
D/C **G**

When everything you love to fear seems the same?

Bridge: (Não estou muito certo quanto aos acordes dessa parte, acho que é algo como **D** e **B** repetidas vezes)

Do you turn out the lights so you don't have to see yourself?

Do you turn out the lights so you don't have to see yourself?

Do you turn out the lights so you don't have to see yourself?

Refrão:

Does it feel too real

When everything you've learnt to love seems to change?

Does it feel too real

When everything you love to fear seems the same?

Does it feel too real

When everything you've learnt to love seems to change?

Does it feel too real

When everything you love to fear seems the same?
