```
E-----  
B-----  
G-----  
D-----  
A-3/5--3/5--3/5--3/5-----  
E1/3--1/3--1/3--1/3-----
```

keep repeating that and during the chorus its

```
E-----  
B-----  
G-----  
D---77--55-----  
A--55--33--55--77-----  
E-----33--55-----

to get the timing right
