Man of madness who lives in my head
Keeping me awake at night he sits on my bed
He drives me crazy, he won t go away
Playing his game every night and everyday, yeah-ah

My mind feels heavy, my body feels weak
Suicidal thoughts crying out for some sleep
Impending doom is what I m about
Think I m going mad without a shadow of doubt

C#
I sense a serenity yeah
A#
Is it really out there?
C# A#
I don t read the holy books cause they take me nowhere
G# A#
I can t hold on yes I m losing control
G# A#
I m paying the price now for... Selling My Soul
