[**Eb**] Writing your [**Bb**]songs on my [**G#**]mind

[**Eb**] It s hard when [**Bb**]you live [**G#**]across the sea

[**Eb**] But one day [**Bb**]I know you ll be [G}mine

Chorus:

Again letting the notes ring

[**Eb**]So [**Bb**]throw her off the [**G#**]bridge

Just toss her in the drink G, A, B

[**Eb**] She s [**Bb**]coming in [**G#**]between us

You know the girl I mean G,A,B

[**Eb**]It s [**Bb**]time we were [**Eb**]together

It s clear that I m the one G, A, B

[**Eb**]So [**Bb**]throw her off the [**G#**]bridge. begin strumming G

We both know it s gotta be done

The song is the same all the way through.

I trace your words with my finger tips

Writing your songs on my sleeve (?)

Maybe you re singing those songs for her

But soon you will sing them to me.

So throw her off the bridge

Just toss her in the drink

She s coming in between us

You know the girl I mean

It s time we were together

It s clear that I m the one

So throw her off the bridge

We both know it s gotta be done.
