

Let It Out
Black Tide

Intro 2x: **Am Em F C**

Am Em

Hey, hey

F C (D5 Am)

Yeah yeah, let it out (2x)

Am

Don't have to bite your own tongue

Am Em

Shouldn't keep your mind closed

F

Gotta let them all know

C

What you're capable of

Am

Don't second guess your own heart

Em

Go with what feels right

F

Gotta let them all know

What you locked up inside

F

G

Shouldn't hold on to the things

F

That won't let you move on

G

Shouldn't hold yourself back

Let yourself go

Refrão:

Am Em

Let it out what you have to say

F

C

Cause it's not the worth the wait, let it out

Am Em

And don't back down, don't turn away

F

C D5

Am

No, it's not the worth the wait and it's not the worth the pain, so let it out

Am

Don't wanna look back and think

Em

You could have made things alrighth

F

With just one simple line

C

You choose to keep in your mind

Am

You wanna look back and say

Em

I did the best i could

F

Maybe my best wasn t enough

But it s the thought that counts

F

G

Shouldn t hold on to the things

F

That won t let you move on

G

Shouldn t hold yourself back

Let yourself go

Refrão:

Am

Em

Let it out what you have to say

F

C

Cause it s not the worth the wait, let it out

Am

Em

And don t back down, don t turn away

F

C D5

Am

No, i ts not the worth the wait and it s not the worth the pain, so let it out

E/G#

You wanna look back and say

C

You wanna look back and feel

Am

I did the best that i could

Am

I did the best that i could

E/G#

You wanna look back and say

C

You wanna look back and feel

Am

I am proud of all that i have done

F

G

Shouldn't hold on to the things

F

That won't let you move on

G

Shouldn't hold yourself back

Let yourself go

Refrão(x2):

Am

Em

Let it out what you have to say

F

C

Cause it's not the worth the wait, let it out

Am

Em

And don't back down, don't turn away

F

C D5

Am

No, it's not the worth the wait and it's not the worth the pain, so let it out
