Black Veil Brides

Am C G D  
These times in life we learn to try, with one intention  
Am C G D  
Of learning how and when we ll die, but we cant listen  
Am C G D Am  
I wish to god I d known that I, I didn t stand a chance  
C G D  
Of looking back and knowing why, or pain of circumstance

Am C G D  
You re not alone  
Am C G D  
We ll brave this storm

Am C G D  
So here s my song I wrote in time, when it was needed  
Am C G D  
Through pain of heart or loss of mind, your burdens lifted  
Am C G D  
You aren t alone just know that I, cant save our hearts tonight

Am C G D  
You re not alone  
Am C G D  
We ll brave this storm  
Am C G D  
And face today  
Am C G D  
You re not alone

Am C G D  
You re not alone  
Am C G D  
We ll brave this storm  
Am C G D  
And face today  
Am C G D  
You re not alone
