

**Fallen Angels**  
**Black Veil Brides**

**F#m**

We are the in between

**A**

Cast down as sons of war

**B**

Struck to the earth like lightening

**A**                      **B**              **F#m**

On this world we re torn

**F#m**

We won t cause the pain

**A**

Of living out their law

**B**

Take joy in who you are

**A**                      **B**              **F#m**

We know our wings are flawed

**D**                                      **Em**

We re bored to death in heaven

**Em**                                      **D**

And all alone in hell

**Em**

We only want to be ourselves

**F#m**                      **A**

We Scream, We Shout

**B**                      **A**

We are the Fallen Angels

**F#m**                      **A**

We Scream, We Shout

**B**                      **A**

Woah oh, Woah oh oh oh...

and all chords then repeat ...
