I open my lungs dear,  
 I sing this song at funerals, no rush.  
 These lyrics heard a thousand times, just plush.  
 A baby boy you ve held so tightly, this pain it visits almost nightly.  
 Missing hotel beds I feel your touch.

[ **E5 C#m7 Asus2 Bsus4** ]

I will await dear,  
 A patient of eternity, my crush.  
 A universal still, No rust.  
 No dust will ever grow on this frame,  
 One million years I will say your name.  
 I love you more than I can ever scream.

[ **E5 EM7no3rd E2/G# Asus2** ]

Booked our flight those years ago,  
 I said I love you as I left you.

Grets still haunt my hollow head,  
 I promised you I will see you

[ **E5 C#m7 Asus2 Bsus4** ]

again.

Again.

[ **E5** **C#m7** **Asus2** **Bsus4** ]

I sit here and smile dear,

I smile because I think of you, I blush.

These bleeding hollow dials, this fuss.

Fuss is made of miles and travels when roadways are but stones and gravel.

A bleeding heart can conquer every crutch.

[ **E5** **EM7no3rd** **E2/G#** **Asus2** ]

Booked our flight those years ago,

You said you loved me as you left me.

Grets still haunt your saddened head but I promised you I will see you.

Booked our flight those years ago,

I said I loved you and I left you.

Grets no longer in my head,

But I promised you and now I m home

[ **E5** **C#m7** **Asus2** **Bsus4** ]

again, again, again, again, again, again.

I m home again

End on **E5**
