You thought I wouldn't come around to you, around to you

Em **G**

You know I was down for you, down for you

C **Am**

Now I'm wishing I never bowed to you, bowed to you

Em **G**

I'm in the shit I can't get out of, I'm not proud of

Em **G**

I'm running out of time to be your man, yup

C **Am**

I'm just lost in the moment, yeah

Em **G**

I'm just zonin

C **Am**

I'm running out of time to hold you down

Em **G**

Running out of time to be your man, yeah

C **Am**

I'm just lost in this moment, yeah

Em **G**

I've been zonin

C **Am**

You know that I could get you more, a little more

Em **G**

Whatever you need, what you need

C **Am**

I could get you more, a little more

Em **G**

Whatever you need
