[Verse 1]

Em **G** **D**
Getting over you, moving on, on, on

Em **G** **D**
Letting go of you, moving on, on, on

Em **G** **D**
Can't seem to find the reasons why you're mad at me
Em **G D**
Should've held on while you had me

[Chorus]

C **G**
So tell me why it is you're moving

D **Em**
All the way to Portland?

C **G**
Tell me why it's so important?

D
I text you, you ignore it

C **G**
It's useless and it's boring

D **Em**
Am I happy, am I for it?

C **G**
Wanna find a cliff and floor it
D
You left me laid out on the floor

I didn't know

(I didn't know)

Em **G** **D**
You'd be the one, the one to ruin everything
