ONE HORSE TOWN by Blackberry Smoke

[Organ Intro] **Dm F C G - Dm F C**

[Guitar Intro] **Am C**

[Verse]

Dm F
In the tiny town where I come from
C G
You grew up doing what your daddy does
Dm F C
And you don t ask questions you do it just because
Dm F
You don t climb to high or dream too much
C G
With a whole lot of work and a little bit of luck
Dm F C
You can wind up right back where your daddy was

[Chorus]

Am F
This little bitty town it ain t nothing new
C G Em
We all stick around cause they all tell us too
Am C
Swallow your pride just to make your family proud
G F
If I didn t think that it would shut the whole place down
F G Am
I d ride my pony right out of this one horse town

[Verse]

Yeah this one horse town
I m an old married man at the age of 23
Got 2 little boys on the baseball team
And that might be their only ticket out
All they got is a worn out name
And a daddy that could ve gone all the way
But I hang my saddle up and I settled down
