Cm  
A thousand people yell  
Eb  
Shouting my name  
Bb  
But I wanna die in this moment  
Gm  
I wanna die

Cm  
And a thousand people smile  
Eb  
Smiling at me  
Bb  
But I wanna die in this moment  
Gm  
I wanna die

Abm  
No way to understand  
Abm                                        Bm  
Why I ve become the way I am  
F#m                                        Bm  
When the sky is filled with stars  
Esus4                                        E  
I find a place inside my heart

Cm  
Some people can take a blow

Eb

And they won't ever drop

Bb

But I want to die in this moment

Gm

I want to die

Cm

She will tell me she loves me

Eb

That she won't ever stop

Bb

But I want to die in this moment

Gm

I want to die

Abm

The coldness in my soul

Bm

And I reach out for her to hold

F#m Bm Esus4 E

And then I watch her close her eyes

F#m Bm Esus4 E

It's only me that needs to cry

F#m

And if I stay with you

F Am E

Do you believe that I'll grow true?

Abm

No way to understand

Abm Bm

Why I've become the way I am

F#m Bm

When the sky is filled with stars

Esus4 E

I find a place inside my heart

F#m Bm Esus4 E

And then I watch her close her eyes

F#m Bm Esus4 E

It's only me that needs to cry

Cm

A thousand people yell

Eb

Shouting my name

Bb

But I wanna die in this moment

Gm

I wanna die
