

Blackfield

Blackfield

F A 2x

F

Curling lips, fingertips, dead eye dips,

A

A/G

I saw it all in the blackfield

F

Splinter cracks, summer tracks, paperbacks

A

A/G

We found them all in the blackfield

F

In the shade, whistle blades, singing fades

F#m

In the blackfield

F#m

Bm

F#m

She wants to stay and talk all day

Bm

G

D

So I remark

when it gets dark

D5+

D6

All the pale things under the earth

G

Will reverse

F

River glass, cycle past, overcast

A

A/G

I saw it all in the blackfield

F

Copper sky, shadows rise, bridge of sighs

A

A/G

We had all in the blackfield

F

Skin tracks, face facts, fade to black

F#m

In the blackfield

F#m

Bm

F#m

She wants to stay and talk all day

Bm

G

D

So I remark

when it gets dark

D5+

D6

All the pale things under the earth

G

Will reverse

F

A (solo) (fade out)
