

Epidemic
Blackfield

Intro: **G5**

G5

Don t say everything s okay

G5

Don t tell me that it s just a phase

G5 **C5** **G5**

It doesn t help me

G5

All the stars are standing still

G5

The anger and the sleeping pills

G5 **C5** **G5**

Are all that s left now

Refrão:

Cm

Em

An epidemic in my heart

D4/A

Takes hold and slowly poisons me

C

Her will won t let me breath

Cm

Em

It comes in waves and bleeds me dry

D4/A

This love is slowly killing me

C

G5

For me, there s noone else

G5

Jelousy just eats me up

G5

Another s made the deepest cuts

G5 **C5** **G5**

My heart is popping

G5

You say there must be an end

G5

But afterwards we ll still be friends

G5 **C5** **G5**

It seemed so easy

Cm

Em

An epidemic in my heart

D4/A

Takes hold and slowly poisons me

C

Her will won't let me breath

Cm

Em

It comes in waves and bleeds me dry

D4/A

This love is slowly killing me

C

G5

For me, there's noone else

(G5)

(Cm Em D4/A C)

(Refrão)

Termina na primeira estrofe novamente.
