

**Glow**  
**Blackfield**

**D#m**  
I show the scars  
**B** **D#m**  
Of every fear and doubt  
**D#m**  
I hurt myself  
**B** **C#**  
To let the darkness out  
**D#m C# B F#**  
Out

**D#m**  
The days go by  
**B** **D#m**  
And nothing brings me joy  
**D#m**  
The glow was strong  
**B** **C#**  
From when I was a boy  
**D#m C# B F#**  
But it s gone

Chors :

**B G#m**  
And the glow  
**D#m G#m**  
It goes  
**B G#m**  
So slow  
**D#m G#m**  
It goes

**D#m**  
Cracks appear  
**B** **D#m**  
And passion slips away  
**D#m**  
Colours fade  
**B** **C#**  
And turn to shades of grey  
**D#m C# B F#**  
Fade away

**D#m**  
If you knew  
**B** **D#m**  
The man I used to be

**G#m**

Please hold me under the sea

**C#**

Or scratch my arms till they bleed

**F#**

Save me

**G#**

Will you help me to feel

**B G#m**

the glow

**D#m G#m**

It goes

**B G#m**

So slow

**D#m G#m**

It goes

**B G#m**

the glow

**D#m G#m**

It goes

**B G#m**

So slow

**D#m G#m**

It goes
