Hello
Blackfield

Verse 1:
```
Cm                                Gm
   Through a different kind of silence
      F              Dbadd9
   I m waiting, I m wasting
Cm                   Gm
   Into the road of sadness
      F              Dbadd9
   I m walking without you
```

Chorus:
```
Cm                        Gm/Bb
   Hello, hello, hello, hello
   Ab          Fmadd9
   Is it gonna last?
     EbM7                  Bb/D
   Why don t you come and take me with you?
Cm          Ab/C     Cm      Gm/Bb
   And so I know you had to go
       Ab              Fmadd9
   I m dreaming of the past
     EbM7           Bb/D
   An echo of the years we passed through
```

Verse 2:
```
Cm                             Gm
   Asleep in your arms, I m drifting
      F           Dbadd9
   I m falling in sorrow
Cm                         Gm
   Dead to the world you left me
      F           Dbadd9
   In footsteps I follow
```

Chorus:
```
Cm                              Gm/Bb
   Hello, hello, hello, hello
   Ab          Fmadd9
   Is it gonna last?
     EbM7                     Bb/D
   Why don t you come and take me with you?
Cm             Ab/C     Cm      Gm/Bb
   And so I know you had to go
       Ab                 Fmadd9
   I m dreaming of the past
     EbM7          Bb/D
   An echo of the years we passed through
```

Chorus:

Cm   **Gm/Bb**
   Hello, hello, hello, hello
   Ab   **Fmadd9**
   Is it gonna last?
     EbM7   **Bb/D**
   Why don t you come and take me with you?
Cm   **Ab/C**   **Cm**   **Gm/Bb**
   And so I know you had to go
       Ab   **Fmadd9**
   I m dreaming of the past
       EbM7   **Bb/D**
   An echo of the years we passed through
