Em C  
Here I`m standing on the seashore  
G GF  
She is gone. Now she`s gone.  
Em C  
All the angels praying for me  
G GF  
As I fall, as fall.

Refrão:

C Bm D Am  
While I`m melting the rain, deep in pain, she is so far.  
C Bm D Am  
Will we ever meet agan as friend, after so long?

Em C  
To my nightmare with the devil  
G GF  
I`ll go strong, I`ll go strong  
Em C  
All my friends now try to save me  
G GF  
Waht a joke, Waht a Joke.

Refrão:

C                                 Bm                     D                     Am  
While I`m melting the rain, deep in pain, she is so far.

C                                 Bm                     D                     Am  
Will we ever meet agan as friend, after so long?
