

Welcome To My Dna
Blackfield

Blackfield - DNA - Welcome to my DNA
Standard tuning, no capo required.

Intro: **Fm, D#, C#**

Fm

DNA

D# C# Fm

Welcome to my DNA

D# C# G# D#
Stupidly you want to stay with my DNA

DNA

You cannot fix what you get
Thing that I try to forget in my DNA

Chorus:

A#m C A#m C
Can you forgive me for things that I ve said?

A#m Fm
Things that I ve done?

C Fm
Go now and never come back

DNA

We all got expiry dates
Trust me there s no get away from my DNA

DNA

Wires of sadness and pain
Always remaining the same, my DNA

Disarmed by the music, there s bombs in my head
You ll always get burned
Go now and never come back

During melody: **Fm, D#, C#, C x2**

My deadly venom, soon I ll be dead
Go now my love
Go now and never come back
