VERSE 1

F# B F#

Yesterdddddaaaaaay

Ebm B G#m

We rolled down the streets, like rats

B C#

There was smoke all around me,

F# C# Ebm

but we looked pretty happy

G#m C# F#

To damage this town one more time.

VERSE 2

Ebm B F#
Where so fashinable glittering eyes
Ebm G#m F#
The jury suspects its nine lives
B C#
But were like blind painters
F# C# Ebm
We puke on our paper
B C# F#
Waiting to see what comes out.

VERSE 3

Ebm B F#
Confusing is dripping so fast
Ebm G#m F#
A noise with the suit and a ties
B C#
Soon there ll ask maybe,
F# C# Ebm
Me and my lady
B C# F#
We are the X ray of life

Ebm B F#
Oooooh Oh Oh Oh Oh Oh Oh
Ebm B G#m
Oh Oh Oh Oh Ahhh Ahhh

B C# F# C# Ebm B C# F#

Ebm F#
Ebm F# B G#m

B C#
Soon there ll ask maybe,
F# C# Ebm
Me and my lady
B C# F#
We are the X ray of life.

A nice tune, and easy one to play
Enjoy.....
